I am delighted to write on behalf of Karen S. Rosenberg, Principal of KSR Pet Care. Karen has been walking my dog, Dulcie, for over a year. She has been wonderful. She is always on time and takes Dulcie for great walks making sure she plays with her friends and gets her exercise. If there are deliveries, she brings them in and if she finds issues in the house (ie a door unlocked) she will call you. If it is raining (my dog is a Water Dog and loves the rain) she has always made sure Dulcie is wiped down and dry before leaving.

Karen has also boarded Dulcie and was more than accommodating to Dulcie's issues (we call them sensitivities). I don't know of anyone who would have handled her so sweetly.

I highly recommend Karen to anyone looking for a reliable dog walker, dog sitter or someone to transfer their dog. She absolutely loves dogs, is very knowledgeable about their care, totally reliable, and very attentive to your dog's needs. She will quickly spot a problem and/or health issue and has great suggestions as to what to do.

Please feel free to call me at (703) 533-1762 if you have any questions about KSR Pet Care.

Sincerely,

Sara Davis
